## A/UX: Limited Macintosh OS Disk Space

Article Created: 10 October 1990

### Article Change History

-----  
08/31/92 - REVIEWED

- For technical accuracy.

### TOPIC -----

My A/UX hard drive doesn't have any of the usual Macintosh software like Font/DA Mover, HD SC Setup, and so on.

### DISCUSSION -----

Because most of the drive is taken by A/UX, the Macintosh partition is very small. A lot of the usual Macintosh utilities just don't fit.
