PowerBook and PowerBook Duo: No Apple Support for A/UX

```
Article Created: 12 November 1991

TOPIC -----------------------------------------------------------

Can any of the PowerBooks or PowerBook Duos run A/UX 3.0?

DISCUSSION ------------------------------------------------------

No, Apple does not support any version of A/UX on any of the PowerBook or
PowerBook Duo computers.

MachTen from Tenon InterSystems is a 3rd party solution for running Unix on a
Powerbook. Search on Tenon or MacTen for company information.

Article Change History:
2 November 1992 - Updated for new models.
