A/UX: Supports File Sharing Services (9/94)

Article Created: 5 March 1991

Article Reviewed/Updated: 8 September 1994

TOPIC -----

Can A/UX 3.0 do AppleShare file and print services?

DISCUSSION -----

A/UX 3.0 does support the use of System 7 File Sharing services. It's use and limitations are exactly the same as when running under the Macintosh OS.

A/UX 3.0 does not support AppleShare print services by itself. The AWS 95 running AppleShare Pro does support the AppleShare Print server.
