A/UX: How to Format a Floppy Disk from a Shell Script (8/94)

```
Article Created: 9 August 1991
Article Reviewed/Updated: 30 August 1994

TOPIC -------------------------------------------------------------

How do I format a disk from within a shell script?

DISCUSSION --------------------------------------------------------

Use the diskformat command.  See man page for options.  Use /dev/floppy0 as the
device.
