A/UX 2.0 and 3.0: Easy Access Is Not Compatible (4/95)

Article Created: 17 September 1992

Article Reviewed/Updated: 26 April 1995

TOPIC -----

Does Easy Access work under A/UX 3.0? I know that Easy Access doesn't work under A/UX 2.0, since A/UX doesn't support the ADB manager.

DISCUSSION -----

Easy Access does not work under A/UX 3.0. The reason is the SAME -- A/UX Toolbox DOES NOT support Mac OS ADB (Apple Desktop Bus). Please refer to page 5-2 of "A/UX Toolbox: Macintosh ROM Interface" documentation.
