Apple IIe/IIgs: Slot Assignments (7/94)

Article Created: 06 July 1994

TOPIC -----

What are the slot assignments for the Apple IIe and Apple IIgs computers?

DISCUSSION -----

Slot#	Item	Description
-----	-----	-----
Slot 1:	Printer	Super Serial card/other printer card
Slot 2:	Modem	Super Serial card/Internal modem card
Slot 3:	Video/Extended memory	RAM upgrades, 80 col card. (reserved)
Slot 4:	Mouse	Mouse controller card
Slot 5:	Hard drive	SCSI card/Profile controller card
Slot 6:	5.25" drives	DISK II or other drive controller
Slot 7:	5.25" or 3.5" disk drive	DISK II or other drive controller

Note:

- The Apple //e will boot from the highest numbered slot with a bootable device attached.
- If an Apple //e has a hard drive with more than 2 partitions, the drive will show the 3rd and 4th partition as slot 2, drive 1 and slot 2, drive 2. This is regardless as to what is physically connected to slot 2.
