## Apple IIGS: Where To Find Hard Disk Backup Utilities

Article Created: 14 June 1991

Article Last Reviewed:

Article Last Updated:

TOPIC -----

Is there a backup utility in ProDOS or GS/OS?

DISCUSSION -----

There's no backup utility built in to the operating system of the Apple IIGS. Third parties have written backup utilities for the Apple IIGS that are currently available and are quite effective.

If you have access to AppleLink, search in the Redgate directory.
