AppleWorks 2.0: How to Print Documents More Than 10 Pages Long

This article last reviewed: 8 January 1988

When printing documents over 10 pages from AppleWorks 2.0 with an Apple IIGS and a LaserWriter or LaserWriter Plus, it is not possible to print the entire document all at once.

You can, however, Select the text, 10 pages at a time, and then do a Print Selected rather than Print All from AppleWorks.
