TOPIC ---

This article gives information about the National AppleWorks Users Group
(NAUG).

DISCUSSION --

NAUG is an international user group that provides members with AppleWorks
information through a monthly newsletter, plus technical support through a
network of support volunteers. They publish the AppleWorks Forum and
maintain a public-domain library.

You can subscribe and become a member of NAUG by calling their number,
which is listed in a separate article in the Tech Info Library.
