Company Profile:
APDA is Apple's worldwide source for over 300 development tools, technical
resources, training products, and information for anyone interested in
developing applications on Apple platforms. Customers receive the quarterly
APDA Tools Catalog featuring all current versions of Apple and the most
popular third-party development tools. Ordering is easy; there are no
membership fees, and application forms are not required for most of our
products. APDA offers convenient payment and shipping options, including site
licensing.
