Apple Writer IIe: Using Connect Keyboard to Printer w/the SSC

If you plan to use the "Connect Keyboard to Printer" option in Apple Writer IIe with the Super Serial Card, be sure to refer first to page 138 of the manual ("Connecting the Keyboard to the Printer"). Take note especially of the warning about the Super Serial Card and of the fact that you must type CTRL-I T SPACE E RETURN in order to avoid the occurrence of unwanted tabs in your printed text.
