## AppleShare Client for Windows: Fax Through Ethernet (8/95)

Article Created: 7 August 1995

TOPIC -----

Is it possible to fax from a PC running AppleShare Client for Windows to a LaserWriter 16/600 PS through an Ethernet card?

DISCUSSION -----

No. Faxing is done via the PSFax software, that ships with the LaserWriter 16/600 PS, which looks for a serial or parallel port.
