AppleShare 4.0 and Pro: 3.0 Client Compatibility (6/93)

Article Created: 7 June 1993

TOPIC ---

Will AppleShare 3.0 and System 7 clients be able to use AppleShare 4.0 and
AppleShare Pro servers without new workstation software?

DISCUSSION ---

Yes, however, users will not be able to receive the full range of server
messages nor be able to use the extended password security features of
AppleShare Pro, unless they specifically upgrade their AppleShare workstation
software.
