AppleShare 4.0.1 Tune-Up (5/96)

Article Created: 5 January 1994
Article Reviewed/Updated: 24 May 1996

TOPIC ---

This article describes AppleShare 4.0.1 Tune-Up's enhancements, and how to
obtain it.

DISCUSSION --

On January 4th, Apple announced AppleShare 4.0.1, a follow-on to the AppleShare
4.0 software that was released in July 1993. AppleShare 4.0.1 is a Tune-Up
release only and the technology is free to all owners of AppleShare 4.0. The
Tune-Up installer will upgrade any AppleShare 4.0 server to version 4.0.1.
There is one worldwide version of the Tune-Up that upgrades English, French,
Spanish, Italian, and Dutch versions of AppleShare 4.0 to version 4.0.1.

AppleShare 4.0.1 has the following features and enhancements that were not part
of AppleShare 4.0:

• Supports all 68040 computers except the Centris/Quadra 660AV and Quadra
  840AV.
• Utilizes Apple Shared Library Manager (ASLM) 1.1 and is therefore
  compatible with Apple Remote Access MultiPort Server and Apple Internet
  Router 3.0.1.
• Fixes all known compatibility problems with Farallon's PhoneNET PC.
• Fixes all know compatibility problems with PowerTalk and PowerShare
  Collaboration Servers.
• Updates the Apple Internet Router 3.0 to version 3.0.1 if it is resident
  on the AppleShare 4.0 server computer.

NOTE: Customers must also install the Network Software Installer ZM-1.4.1 or
later.

AppleShare Tune-Up 4.0.1 is available free of charge in the USA in the following
ways:

• Call the Apple Order Center. The Tech Info Library article titled "Locating
Vendor Information" can help you search for Apple Order Center's phone number.

  NOTE: There is a shipping/handling fee for each order. All components

needed to perform the upgrade are included in this kit. NO proof of
purchase is required. The program will run from 1-4-94 to 5-31-94.
Shipments will be made via first class mail within the 50 states and
District of Columbia.

• These articles can help you locate software updates mentioned here:

  - "Where To Find Apple Software Updates"
     Lists online services for "free" Apple software updates.

  - "Obtaining Apple Product Support in the USA"
     Lists 800 numbers and online services for software updates, Apple
     support information, and a subset of the Apple Tech. Info. Library.

Article Change History:
24 May 1996 - Updated for technical accuracy.
12 Jul 1994 - Updated information on how to obtain Apple Software updates.
