AppleShare 4.2.1 Upgrade CD & Santorini Server Manager (9/96)

Article Created: 6 September 1996

TOPIC -----

My AppleShare 4.2.1 Upgrade CD came with Santorini's Server Manager software, but not a serial number. Where do I get the serial number?

DISCUSSION -----

Like AppleShare on the AppleShare 4.2.1 Upgrade CD, Santorini's Server Manager software is an upgrade only. You need to use the serial number from your previous version of Server Manager software.
