MAE: PPD File For The HP LaserJet 4M Printer (3/95)

Article Created: 29 March 1995

TOPIC -----

I'm using MAE 1.0 and I'm trying to use the HP 4M PPD file. I've gone into the Chooser, clicked on "lprwriter", clicked setup, then clicked select PPD, and selected HP LASERJET 4M.

I get a dialog that states, "Does not appear to be a valid Postscript Printer Description file." What is wrong?

DISCUSSION -----

The file you are selecting is NOT a Postscript Printer Description (PPD) file. It is a text file that reads:

Only Hewlett-Packard (HP) is distributing the PPD file for the LaserJet 4M. To receive this file, you must call 303-353-7650 and ask for the PPD Disk for LaserJet 4M.
