## MAE 2.0.2: Home Directory Space and MS Office Issue (9/96)

Article Created: 3 September 1996

TOPIC -----

This article describes an installation issue with MAE 2.0.2 and Microsoft Office.

DISCUSSION -----

If the users Home directory has less than 80 MB available, a Microsoft Office installation may fail. This will happen even though the installation is going to a different directory which has enough space, and a New Folder is selected.
