DISCUSSION -----

Apple Computer, Inc.
Apple Network Administrator Toolkit
10-User Software License Agreement

2. Permitted Uses and Restrictions. The License allow you to install and use the Administration Software on a single Apple-labeled or Apple-licensed computer at a time and the Server Software on a single Apple-labeled or Apple licensed computer at a time. You may also copy and install the Client Software, AppleShare Agent and FirstClass Agent ("Client Software") on up to ten (10) Apple-labeled or Apple-licensed computers owned and/or operated by you by installing the Client Software onto the respective hard disk of each such computer. In addition, you may make one copy of the Apple Software in machine-readable form for backup purposes only.

Summary

-
- 1 - copy of the Administer software maybe installed.
 - 1 - copy of the Server Software maybe installed on only one server at a time.
 - 10 - copies of the Client software maybe installed on only 10 CPUs at a time.

IMPORTANT:

Additional copies of the Apple Network Administrator Toolkit manual may be purchased separately. For further information or to place an order, call 800-544-8554.

Claris offers computer purchasing solutions fro both Claris and Apple software products. If you have questions about licensing the Apple Network Administrator

Toolkit, or other Claris and Apple Products, please call 800-358-3395.
