Lisa 1/2-MB System: Error 815/315 while installing OS 3.0

Error 815/315 indicates your system is out of memory. This error appears when you initialize your hard disk before installing Lisa Office System Release 3.0 software on a 1/2 meg system. You will need to obtain a 512K Add-On Memory Board before you can successfully install the software; alternatively, you could obtain Lisa Office System Release 3.1, which allows you to install the Office System using 1/2 megabyte.
