Centris Series: Replaced by Similar Quadra Models (10/93)

Article Created: 21 October 1993

TOPIC -----

What became of the Centris 610, Centris 650, and Centris 660AV?

DISCUSSION -----

On 21 October 1993, the Centris name was discontinued, and the three Centris models were replaced by three Macintosh Quadra models.

The Quadra 610 and 650 offer improved performance compared to the Centris models they replace. Separate Tech Info Library articles list the differences between the Centris 610 and the Quadra 610, and between the Centris 650 and the Quadra 650. The Centris 660AV and the Quadra 660AV are identical.
