PowerBook 500: Does Not Come with CloseView Control Panel (5/95)

Article Created: 31 May 1995

TOPIC -----

Do the PowerBook 500 series computers that ship with System 7.1.1 come with the CloseView control panel?

DISCUSSION -----

No. The CloseView control panel does not come with these systems. It is not on the hard drive or the backup disks.

The CloseView control panel does work on these systems, however.
