## PowerBook: How to View Modem Settings (11/92)

Article Created: 28 October 1992

TOPIC -----

How do I view the current configuration of my PowerBook internal Fax/Data Modem?

DISCUSSION -----

To see what the modem profile looks like at any time, use the AT&V command. This will dump the contents of the ACTIVE profile, as well as STORED PROFILE 1 & 2 and any saved phone numbers (see page 104 in the manual).

at&v
