Macintosh: Monitor AC Power Cord Part Numbers (6/95)

Article Created: 25 July 1994

Article Reviewed/Updated: 6 June 1995

TOPIC -----

This article provides service part numbers for AC power cords for Apple monitors.

DISCUSSION -----

Part Number	Description
590-0370	AC Power Cable - Connects from monitor to the Macintosh
590-0373	AC Power Cable - Connects from monitor to wall outlet

NOTE:
There are several AC cords that connect the monitor to an AC wall outlet. They vary from monitor to monitor in terms of length and color. However, service part number 590-0373 works on all Apple monitors that have a detachable AC cord.

Article Change History:
6 June 1995 - Corrected part number for Macintosh to monitor cable.
