Video Out for HyperDrive

Article Created: 7 May 1986

Article Last Reviewed: 30 September 1991

Article Last Updated: 30 September 1991

TOPIC -----

Can a dealer install a Video Out on a HyperDrive Macintosh and, if so, which manufacturers are compatible with HyperDrive?

DISCUSSION -----

Mentauris Technologies is one manufacturer that designs composite video adapters. We have tested this product and it is compatible with the new silver HyperDrive bracket.

On AppleLink, you can find contact information on a company mentioned in this article by clicking the "Library Index" button in the lower-center of the Tech Info Library search window, then opening the "Third Party Company Directory" folder.
