AppleScript: Dialog Box Displays 255 Characters Maximum (11/93)

Article Created: 29 November 1993

TOPIC ---

Can I make the dialog box bigger? I want to display about three paragraphs
 of information. Currently I can display about three lines.

DISCUSSION --

With the built-in display dialog, you can't make the dialog box bigger. It
will grow to display a maximum of 255 characters.
