TOPIC ---

Is there an on-line source for good AppleScript additions?

DISCUSSION --

There are several on-line sources for Apple Script information or additions.
Some of those we know of are listed below:

• The ftp site gaea.kgs.ukans.edu is a good source for AppleScript scripting
  additions, scripts and documentation.

• macscripting@dartmouth.edu is a great listserv for AppleScript discussion.
  Subscribe by sending a message to listserv@dartmouth.edu with body of message

  Send actual discussions to macscripting@dartmouth.edu

• The ftp sites sumex-aim.stanford.edu and mac.archive.umich.edu have good
  scripting subfolders. sumex and umich.edu are worth checking as well.

• AppleLink:
    Developer Support
      AppleScript Talk

• eWorld:
   Software Center from ZiffNet
      Software Central
         Scripting & Programming
            AppleScript & Frontier
