Early Language Connection/Writing Center: Passwd Issue (8/95)

Article Created: 6 May 1994

Article Reviewed/Updated: 9 August 1995

TOPIC -----

I have the Apple Early Language Connections (AELC), and am having problems using the Writing Center. I'm asked for a password whenever I try to run the Writing Center.

DISCUSSION -----

The Writing Center is password protected with At Ease 1.0 so students can't access it, and it's the same password as the Administrator password in At Ease. The Writing Center was intended to be used by teachers, and not the students, and it is not possible to set up a group of users with access to it, or to make the password different for The Writing Center.

If you use a different version of At Ease, password protection does not work, and anyone will be able to access The Writing Center.
