Data Access Language: Union Command Not Supported

Article Created: 19 March 1991
Article Last Reviewed: 30 June 1992
Article Last Updated: 30 June 1992

TOPIC ---

I have found a problem with the DAL "Union" command. A query returns a
syntax error, requesting that I enclose the "Union" keyword in semicolons.
When I do this, I get another error that the procedure "Union" is not
defined. Any suggestions?

DISCUSSION --

As of release 1.3.5 of the DAL servers the SQL "Union" statement is supported
for all DBMSes which allow it.
