DAL: Userbreak Function

Article Created: 12 August 1991
Article Last Reviewed: 29 June 1992
Article Last Updated: 29 June 1992

TOPIC ---

Page 191 of the "DAL Programming Guide" talks about a user break function.
Is it part of the standard DAL distribution?

Userbreak is referred to as a "provided function," but it is not in the
library. Where can I get it?

DISCUSSION --

The example in the book is a program fragment. Userbreak is a user-written
function.
