DAL 1.1: Large Amounts of Data Kill Processes

Article Created: 12 August 1991
Article Last Reviewed: 29 June 1992
Article Last Updated:

TOPIC -----

I have a DAL application that sends large amounts of data down the network and often kills the DAL server process, while it's running.

DISCUSSION -----

That's a known problem with DAL 1.1. This is fixed in version 1.2.
