WorldWrite Registration and Product Sticker (5/96)

Article Created: 22 May 1996

TOPIC ---

I just purchased the Arabic Language Kit. The WorldWrite registration card asks
me to attach a product sticker to the registration card and mail it in, but I
did not receive a product sticker. What should I do?

DISCUSSION --

If you are missing the sticker, just write in the name and order number of the
product purchased. The WorldWrite registration card included with the Arabic
Language Kit, Cyrillic Language Kit, and Hebrew Language Kit may call for this
sticker. The order numbers for the language kits are as follows:

Language Kit	Order Number
Arabic Language Kit	M4454Z/A
Cyrillic Language Kit	M4455Z/A
Hebrew Language Kit	M4453Z/A
