Macintosh: Moving Fonts and Error -192

Article Created: 7 August 1992
Article Last Reviewed:
Article Last Updated:

TOPIC ---

I tried to move fonts into the System suitcase, but get error -192.

DISCUSSION --

The error means resource not found. In most cases, this is a conflict with
an extension.

Restart the computer with all extensions off, move the fonts into the
system, and restart with extensions on.
