SNA•ps 3270: Doesn't Have API Support for CUT or NLCA

Article Created: 13 August 1992
Article Last Reviewed:
Article Last Updated:

TOPIC ---

Does the SNA•ps 3270 API support either CUT or NLCA as an access method?

DISCUSSION --

The SNA•ps 3270 API supports neither CUT nor NLCA as an access
method. There are no plans to add this functionality to the API, and
we don't know of a third-party developer that provides this capability.
