File Formats: Where to obtain TIFF and EPSF Specs (1/95)

```
Article Created:  1 September 1987
Article Reviewed/Updated: 6 January 1995

TOPIC -------------------------------------------------------------

Where can I get information on the TIFF and EPS file formats?

DISCUSSION --------------------------------------------------------

The TIFF 6.0 specification is available in the TIFF Developer's Kit.
Information on obtaining this kit and joining the Aldus Developer's
Association (ADA) may be obtained from the Developer's Desk at Aldus
Corporation, or from the following FTP site:

  ftp://sgi.com/graphics/tiff/TIFF6.ps.Z

The EPSF (Encapsulated PostScript File) format is available from the Technical
Specialists Group at Adobe Systems Inc. Additional information can also be found
in the PostScript Language Reference Manual, Adobe Systems Inc.

To locate a vendor's address and phone numbers, use the vendor name as the
search string.
