Ofoto Version 2 Update 2.0.2 for Apple Scanners (10/93)

Article Created: 21 October 1993

TOPIC -----

This article explains how to obtain Ofoto version 2, update 2.0.2.

DISCUSSION -----

This update has been mailed to everyone who bought the Ofoto Version 2 upgrade for Apple scanners directly from Light Source. In addition, the update will be sent to new Apple scanner owners who register Ofoto before October 31, 1993. If you have Ofoto release 2.0 and an Apple scanner, and you would like the revision, please mail in your registration card before October 31, 1993, and it will be sent to you automatically.

After October 31st, call Light Source at 800-231-7226 to order the update for an \$8 shipping charge. Outside the United States and Canada, call Light Source in Scotland at 44-506-462-444 (shipping is \$25). Be sure to have your Ofoto disks handy.

Please note that Light Source Technical Support now has its own AppleLink address: LS.SUPPORT
