## Ofoto: Resetting Window Locations (11/93)

Article Created: 2 November 1993

TOPIC -----

While in the Ofoto application, some window title bars are under the menu bar and I can't move them. How do I reset the window locations?

DISCUSSION -----

According to Light Source, all you need to do is quit Ofoto and throw away the Preferences file. The path is:

- System Folder
- Preferences
- Ofoto Folder
- PreferencesFolder
- Ofoto Preferences
