QuickDraw GX: Default Folder For PDD Maker Files (2/95)

Article Created: 02 August 1994

Article Reviewed/Updated: 14 February 1995

TOPIC -----

What folder do Portable Digital Document (PDD) files created by PDD Maker default to?

DISCUSSION -----

Files created by the PDD Chooser extension default to the PrintMonitor Documents folder inside the system folder. The default folder can be changed by selecting the PDD Desktop Printer icon and choosing PDD Maker Setup from the Printing Menu.
