System 7: How to Get the Original Document from a Subscriber

Article Created: 7 March 1991

Article Change History

09/22/92 - REVIEWED

- For technical accuracy.

TOPIC -----

How can I find the original document from a subscriber?

DISCUSSION -----

When you have subscribed to some information, you may want to get back to the original document to edit it.

To do this, select the subscriber from inside your document and then choose "Subscriber Options..." from the Edit menu. In the resulting dialog box, click "Open Publisher" and the document containing the original data (the publisher) will open.
