System 7: All items could not be displayed in this window

Article Created: 4 March 1991

Article Last Reviewed:

Article Last Updated:

TOPIC -----

Why do I get the message "All items could not be displayed in this window" when I do a "Find-All At Once?"

DISCUSSION -----

This message is displayed when you find more items than the Finder can display at one time.

A partial list of the items meeting your "Find" criteria will be shown. To see the remaining items, select "Find Again" from the File menu.
