## System 7.5: Custom Installation Selections (7/95)

Article Created: 05 January 1995

Article Reviewed/Updated: 06 July 1995

TOPIC -----

I'm using System 7.5 and I want to reinstall a single control panel which I believe is corrupted.

DISCUSSION -----

The following is a list of the items available when selecting CUSTOM INSTALL from System 7.5 Installer. That list will only show the main topics.

Clicking on the triangle to the left of the topic will reveal the subtopics. Each main topic may be selected, which will install all the sub items, or any individual item may be selected for installation.
