Macintosh: How To Change Number Of Copies Default

Article Created: 17 December 1987

Article Last Reviewed: 5 November 1991

Article Last Updated: 18 October 1988

TOPIC -----

Here's how to change the Print Manager's "Number of Copies" value from its default of 1.

DISCUSSION -----

Note: ResEdit is a resource editor available from APDA, the Apple Programmer's and Developer's Association.

1. Use ResEdit to open the LaserWriter or ImageWriter file in your System Folder.
2. Change the "Copies:" field in DITL resource -8191. Change the number from 1 to whatever number you like.
3. Save the change when you quit ResEdit.
