Apple File Exchange: AppleWorks 3.0 to MS Works Translator

Article Created: 30 May 1991

Article Last Reviewed:

Article Last Updated:

TOPIC -----

Is the Apple File Exchange Translator compatible with AppleWorks?

DISCUSSION -----

The AppleWorks to Microsoft Works Translator for Apple File Exchange will operate properly with AppleWorks 2.x and earlier. It does NOT operate with AppleWorks 3.0 files.

There is a third-party solution called Cross-Works by SoftSpoken. You can find the address and phone number for SoftSpoken in a separate article in the Tech Info Library.
