ObjectSupportLib 1.1: Its Significance (9/96)

Article Created: 11 October 1996

TOPIC ---

This article describes the versions of ObjectSupportLib and the significance of
version 1.1.

DISCUSSION ---

ObjectSupportLib v1.0.2

Shipped with AppleScript 1.1 and with System 7.5, 7.5.1, 7.5.2 and 7.5.3.

ObjectSupportLib v1.0.4

This is the latest version of the ObjectSupportLib that is shipping to
developers on the "Essentials • Tools • Objects" CD #20.

ObjectSupportLib v1.1

The ObjectSupportLib 1.1 is functionally identical to ObjectSupportLib 1.0.2.
The ObjectSupportLib 1.1 originally shipped with AppleScript 1.1. This library's
version was mistakenly labeled as 1.1 to match AppleScript 1.1's version
string.

The latest version of the ObjectSupportLib as of this article's publishing is
1.0.4.
