TOPIC --

I'm looking for ISO 9000 certification information for Apple's manufacturing
sites.

DISCUSSION ---

Apple's manufacturing sites are currently registered with the National Standard
Authority of Ireland (NSAI) and SISIR/BSI as having independent manufacturing
sites that are ISO 9002 registered.

The NSAI list the ISO certificate numbers for the manufacturing sites in the
United States as: Fountain Colorado - M842 and Sacramento (Oak Grove) California
- M634.

Apple's Cork Ireland manufacturing site ISO registration number is M381.

Apple's Singapore manufacturing site ISO registration number is SISIR
ISO92-2-0065, BSI FM15043.
