DAL: Server Development for HP/UX System

Article Created: 23 March 1991
Article Last Reviewed: 9 July 1992
Article Last Updated: 9 July 1992

TOPIC ---

Is DAL going to be available for HP/UX systems?

DISCUSSION --

Currently, there is no plan on providing DAL Server on HP/UX systems. There
is a program called DAL Porting Assistance (or Porting Campout). It has
begun on a selected basis. To qualify for assistance from the Apple DAL
Engineering team, the vendor must be willing to support and market the
ported DAL server on their hardware platform.   Pacer software (Westboro
Mass.) has ported to a number of UNIX environments. Please contact them
directly for details.
