DAL: Support for DB2 Version 2.3

Article Created: 13 May 1992

* RESTRICTED: Apple Internal and Support Providers Only *
Not For General Public Release

TOPIC -----

I'm upgrading DB2 from 2.2 to 2.3, and would like to know whether DAL 1.3 supports this release of DB2.

DISCUSSION -----

DAL engineering hasn't tested DB2 version 2.3. However, they said DAL should work with version 2.3, and they foresee no reason why it won't.
