Not For General Public Release

TOPIC -----

What keyboard will Apple send back on a Service exchange for a failed Extended Keyboard? Will it be the Extended Keyboard II?

DISCUSSION -----

If you need to replace an older Extended Keyboard, cite the old part number for it on the SRO or AppleOrder form (661-0384). During the service exchange process, Apple will automatically replace it with the Extended Keyboard II, part number 661-0543.
