LW Pro 810: Manual Tray Side Guides (8/94)

Article Created: 15 August 1994

* RESTRICTED: Apple Internal and Support Providers Only *
Not For General Public Release

TOPIC -----

This article describes how to obtain the side guides for the manual input tray of the LaserWriter Pro 810.

DISCUSSION -----

The side guides of the manual input tray are designed to improve the skew characteristics of the manual feed paper tray. The new tray guides significantly improve the skew characteristics.

WWPTS has made side guide sets available to AAC Fulfillment. Please use your usual CR fulfillment process to get these new guides sent to customers.
