LaserWriter Pro 810: Additional Service Parts References (7/96)

Article Created: 10 July 1996

* RESTRICTED: Apple Internal and Support Providers Only *
Not For General Public Release

TOPIC -----

The LaserWriter Pro 810 Service Source documentation provides an addendum listing several parts that have been added since the product was introduced, however there are no references to the parts drawings. How do I know which part I will get when I place an order?

DISCUSSION -----

The following chart provides a listing of the new LaserWriter Pro 810 parts along with the Illustrated Parts List figure and item number where the part can be identified.

Begin_Table

Apple Part #	Description	Vendor P/N	IPL figure/ Figure #
922-0919	Inner Turn-Chute Assy	299171-001	B-7, #28
