TOPIC -----

This article provides the service part number for the optional feeder clips on the LaserWriter 12/640 PS printer.

DISCUSSION -----

When an optional paper tray is purchased for the LaserWriter 12/640 PS printer, plastic retainer clips (Apple Service P/N 922-1098), which help hold the optional paper source onto the printer, are included in the kit. If replacements are needed, they can be purchased as a service part. The optional feed clips are currently listed under the LaserWriter Select 360 printer in the Service Price pages.

These feeder clips will also be listed under the LaserWriter 12/640 PS printer in the Service Price Pages in the future.
